Honorable William H. Pauley III.

How are you? I hope your will and having a good day
First I like to apologize to you and the government
and take full responsibility for all my action.

I also like to apologize to my family my Children for not
being a responsible adult, a better parent.

Also to my community that I love so much who really
miss me for all the little things I help with.

As far as fixing and installing washers driers air con-
ditions, cars, bikes for the kids, hanging curtains
Closing mouse holes and so much more.

In the community they call me Johnny fix it and they
also call me uncle Johnny.

I am 52 years old, I just had a birthday February
first, and I thank God I'm alive.

I'd been a member of 731 labors union since 1984.

I'd worked from the Tappansee to the Williamsburg, the
Tribora bridge, the Air Rail at J.F.K. and also ground zero.

I'd been jailed several times for drugs always addicted to
heroin, always had to be detox from heroin, this time the same.

I did my time never had any problems in person.

I was released on parole Completed parole never violated.
I worked everyday took care of my family.

In 07 my Mother, best friend consultant and first lady
was diagnose with lung cancer, I was devastated
Within Months that Cancer had took complete controle
over her body, it was eating her away to nothing.

The hospital sent her home I had a problem with her
medical insurance and I couldn't get her pain medication.

My Mother was in so much pain I couldn't even move her. So much pain when I moved her she would screamed. I had to put her back in the hospital just for medication seeing that cancer eat her away and I couldn't do nothing and the Doctors couldn't do anything. That was the hardest thing I ever had to go through. I couldn't handle it I lost my mind, and I got high. My Mother past in 08, I went crazy and I got higher every dime I made went on drugs. She was't just my Mother, she was our Matron she kept our family together. A beautiful smart wise women. Very spiritual women a true beleaver in God. She use to say keep the faith because faith move mountains. And God may not be there when you call but he's always right on time. My life was out of controle, if I didn't kill myself with drugs someone else would over drugs. Yes I sold drugs and I'm sorry but I used more drugs then I sold. If I didn't get arrested I might still be out there getting high. Getting arrested is my Blessing I want to thank God, you and government for saving my life. Thank you for saving my life. Everybody in my family knew I needed help it was just a matter of time before something happen. I thank you and my family thanks you. I may not be the man I want to be but I thank God I'm not the man I use to be.

Thank You for your time
Sincerely Speeting

John A. Reape

To whom it may Concern

Hello my name is Chanick Beape and I am Johnny Beape's uncle.

I'm writing you because every since I was five and my father which is uncle Johnny's brother moved to Alaska uncle Johnny was the only father I knew. He's the one who made sure I got up every morning for school, he's the one who sat with me when I got sick, while my grandmother went to work. To make a long story short even after I had all of these (my) kids uncle Johnny was always there for me and my kids, when we got evicted out my house uncle Johnny was the one who came and got me and my kids and made sure we had some where to sleep all nine of us, all I'm trying to say is this I don't know what he did to be there but please send my uncle Johnny back home to us we really need him, I really need him.

Thank you for taking the time to read what I had say Sincerely Chanick Beape

What do I have to say about my uncle Johnny he is a very nice person if you really get to know him. When I ask him for something if he got it he say I got it. When I don't want to stay at my house on the weekend he always let me stay at his. He make sure there's no drugs in the house. Well what I'm trying to say is that he is special to us to me. He's a very, very good person. My name is Destiny I'm 18 years old and I just want you to let him go.
